Subject: Clarification of Age Limits for Teen Center on Old Collinsville Road (MOTION)

List of committees that have reviewed: The Community Development Committee reviewed this Motion at its February 25, 2008 meeting and unanimously recommended it for approval.

Background:

In preparation for 2nd Reading on the planned use ordinance approving the Teen Center on Old Collinsville Road, the Community Development Committee recommended proposed age limits of the Teen Center be ages 13-18. The CD Committee recommended the age change, and the staff report that went to Council on 2nd Reading stated that was the Committee's recommendation for amending the ordinance on 2nd Reading. However, the ordinance that was signed and recorded with St. Clair County inadvertently showed the ages of 13-17, rather than the recommended and agreed on upper age limit of 18.

We need clarification regarding the Council's intent pertaining to the upper age limit for the Teen Center, therefore we recommend a Motion be considered that would clarify this intent. The correction would read, "No customer under the age of 13 or over the age of 18 is allowed at the Teen Center during business hours."

Legal Considerations, if any: None

Budget Impact: none
