

## CITY COUNCIL AGENDA ITEMS

**To:** Mayor Graham and City Council  
**From:** Dennis Sullivan, Director of Engineering & Public Works  
Walter Denton, City Administrator  
**Date:** June 21, 2004  
**Subject:** Sewer Replacement - Permit

**List of committees that have reviewed:** Public Works Committee

**Background:** Anne/Alma/Edward/Maryland Sewer Replacement, Phase I – An inflow and infiltration study performed by HMG several years ago targeted this area as a prime candidate for sanitary sewer replacement. Phase I of this project involves replacing the sanitary sewer pipe that runs along Oak Street adjacent to Marie Schaeffer School. This work was bid separately in order to try and have the work completed before school starts. Bids were received on 6/9/04 and Haier Plumbing was the low bidder.

**Legal Considerations, if any:**

**Budget Impact:** Sewer Lines Division.

**Staff recommendation:** Recommend approval of work by Haier Plumbing in the amount of \$86,558.00.
