

## CITY COUNCIL AGENDA ITEMS

**To:** Mayor Graham and City Council  
**From:** Dennis Sullivan, Director of Engineering & Public Works  
Walter Denton, City Administrator  
**Date:** June 21, 2004  
**Subject:** Software Implementation/Training

**List of committees that have reviewed:** Public Works Committee

**Background:** Varion Proposal for Training/Implementation of Cityworks Software – Staff secured a professional services proposal from Varion Systems to provide various services related to setup of the GIS mapping system and the Cityworks computerized maintenance management software. The are recommended by the software vendor and are proposing to assist with geodatabase design and setup, setup and installation of the Cityworks software and training.

**Legal Considerations, if any:**

**Budget Impact:** Sewer, Water and General Fund Street.

**Staff recommendation:** Recommend contracting with Varion Systems for professional services in the amount of \$33,250.00.
