

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: July 6, 2004
Subject: Public Works Compound Fencing

List of committees that have reviewed: None

Background: Staff has received a quote from Belleville Fencing for provision and installation of fencing with a 30-foot gate to close off the compound on the east side now that construction of the creek crossing has been completed.

Legal Considerations, if any: None beyond those normally associated with construction contract award.

Budget Impact: Estimate to load, haul and dispose of an estimated 1,000 cubic yards of debris based on unit pricing quoted is \$12,500.

Staff recommendation: Recommend approving proposal from Belleville Fence.
