

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: November 1, 2004
Subject: Southview Drainage

List of committees that have reviewed: None

Background: Rhutasel and Associates was selected to perform a detailed drainage study and field reconnaissance for drainage patterns in Southview Gardens Subdivision. This study will supplement the Storm Water Study performed by Black & Veatch and will also begin the implementation phase for drainage corrections.

The proposal includes work to perform engineering services for the subject project in an amount not to exceed \$8,000.00.

Legal Considerations, if any: The contract carries normal legal considerations for awarding consultant services agreements. This contract is in the form of a letter agreement supplemental to our existing service agreement with Rhutasel and Associates.

Budget Impact: Money has been allocated for this work in the FY2004 budget.

Staff recommendation: Staff recommends execution of the resolution to enter into an agreement with Rhutasel and Associates.
