To: Mayor Graham and City Council
From: John Betten, Chief of Police
Walter Denton, City Administrator
Date: November 15, 2004
Subject: Amended Weapons and Explosives Ordinance Prohibiting Certain Projectiles

List of committees that have reviewed: Public Safety

Background: As a result of a recent incident in which an arrow being used for target practice ended up lodged in the front window of a residence, we became aware that our ordinance regarding weapons did not prohibit the use of a bow and arrow in the city limits. This ordinance includes prohibitions on the discharge of bows and certain other projectiles, unless otherwise approved.

Legal Considerations, if any: None

Budget Impact: None

Staff recommendation: Approval.
