

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: December 6, 2004
Subject: Snow Routes (Ordinance)

List of committees that have reviewed: Public Works Committee

Background: The existing ordinance approving snow routes within the City is from 1993. A map was included in the Committee packet that displayed current and proposed routes based on the importance of the roads to serve emergency vehicles and priority transportation needs during a snow event based on our current city limits.

Legal Considerations, if any: None

Budget Impact: General signage included in current budget.

Staff recommendation: Staff recommends approval of the new snow routes.
