Date: February 22, 2005
Subject: Intergovernmental Agreement with District #203 Irrigation System

List of committees that have reviewed: Parks & Environment reviewed the proposal on February 14, 2005.

Background: The OTHS Baseball Coach approached the Parks & Recreation Department regarding installation of an irrigation system at Blazier Field Diamond #1 in Community Park. The financing will be provided by OTHS #203 and the Baseball Boosters. Staff has reviewed the equipment and the plans. Healthy turf will hold up better under the stress of sporting and other events, and adequate irrigation is critical. The irrigation system will increase safety, reduce turf stress and money spent on maintenance.

Legal Considerations, if any: None

Budget Impact: None

Staff recommendation: Staff recommends approval of amendment to the Intergovernmental Agreement.
