

## CITY COUNCIL AGENDA ITEMS

**To:** Mayor Graham and City Council  
**From:** Dennis Sullivan, Director of Engineering & Public Works and  
Walter Denton, City Administrator  
**Date:** May 16, 2005  
**Subject:** Water Supplies

**List of committees that have reviewed:** This item has not been reviewed by Committee.

**Background:** On May 10, 2005, bids were received for Water Division supply requirements. The items covered included brass and copper items, meter tiles, and frames/covers.

**Legal Considerations, if any:** A letting of bids carries normal legal considerations for awarding material supply agreements.

**Budget Impact:** The total cost of supplies comes to \$18,895. Money has been allocated for this purchase in the FY2006 approved Budget.

**Staff recommendation:** Staff recommend award to the low bidders, as follows:

- Item 1) 300 ¾" corporation stop C.C. thread w/ copper flare outlet \$9.35ea. total \$2,805 to National Waterworks, Lebanon, IL
- Item 2) 100 copper setters w/saddle nuts & ball valve \$33.70 ea. Total \$ 3,370 to National Waterworks, Lebanon, IL.
- Item 3) 50 8"X3/4" all bronze or brass single strap service saddle \$26.10ea. Total \$1,305 to Midwest Meter Inc. Edinburg, IL.
- Item 4) 300 18"X30" slotted meter tile (Springfield Plastic) \$13.10ea. Total \$3,390 to National Waterworks, Lebanon, IL.
- Item 5) 300 Meter box frames & covers w/2" holes in the center of lid (large nut) \$26.75ea. Total \$8,025 to Midwest Meter Inc.
