

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: June 6, 2005
Subject: RESOLUTION - Agreement with Rhutasel and Associates for Design of Old Collinsville Road Reconstruction, Rowe Lane to Milburn School Road

List of committees that have reviewed: Public Works Committee.

Background: The proposal is for the design of the road segment's reconstruction. It is on a standard IDOT-type contract similar to others used in obtaining consultant services for road projects. This project is currently funded under IDOT's Surface Transportation Program for their FY2008 at an amount of \$391,000. Both O'Fallon and Fairview Heights will share in the remaining project cost for construction (\$420,000) which will come from the Cities' local MFT funds.

Legal Considerations, if any: None

Budget Impact: The cost of this necessary work will be funded from MFT funds.

Staff recommendation: Staff recommends execution of the RESOLUTION.
