

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: July 18, 2005
Subject: RESOLUTION - Hill Top Lane Intergovernmental Agreement

List of committees that have reviewed: None

Background: After some discussion, the issue of who owns Hill Top Lane has been resolved. The City is now responsible for maintenance of the road; however, staff believes that the O'Fallon Township Road District is best suited to conduct maintenance of the road. The road has been maintained by District personnel for many years and the District has agreed to continue maintenance on a contract basis. As a result, the attached intergovernmental agreement has been constructed.

Legal Considerations, if any: None, as the City and Township can provide each other services under Illinois law.

Budget Impact: The City has sufficient funding to pay the Township for the maintenance listed in the agreement.

Staff recommendation: Staff recommends approval of the agreement.
