

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Pam Funk, Assistant City Administrator
Date: August 1, 2005
Subject: RESOLUTION - Simmons/Porter/Obernuefemann/Venita/Ogles Water Line Project Design

List of committees that have reviewed: Public Works Committee

Background: This is an agreement with Hoelscher Engineering to design a project to install the subject waterline (approximately 11,000-feet) shown on the attached drawing for \$58,900. (see attachment).

Legal Considerations, if any: Normal considerations for entering into an agreement with an engineering consulting company.

Budget Impact: Funds have been allocated in the FY-06 City Operating Budget to support this project design.

Staff recommendation: Approve Hoelscher Engineering proposal and allow the Mayor to sign the agreement.
