CHAPTER 52, SECTION 52.121,
REGARDING AUTHORITY OF
CITY

WHEREAS, the City operates water and sewer systems for the benefit of its citizens,
and;

WHEREAS, City employees and agents of the City need to access premises where active
water and sewer services are provided to inspect those services and troubleshoot problems with
those services, and;

WHEREAS, the City Council finds the existing code needs additional clarity as to that
access.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY
OF O'FALLON, ST. CLAIR, ILLINOIS AS FOLLOWS:

Section 52.121 Authority of City:

~~The City shall have access~~ The employees of the Public Works Department shall have access to
all portions of the premises of the consumer at reasonable times for inspection of the use,
pressure and flow of water, and the consumer's pipe, fixtures, and plumbing and any other
apparatus in any manner connected to the water system of the City or that may affect that system.

No person shall interfere with, prevent, or obstruct the employees of the Public Works
Department or his/her designated representative or other person in such work. The City shall
