

## CITY COUNCIL AGENDA ITEM

**To:** Mayor Graham and City Council  
**From:** Dennis Sullivan, Director of Engineering & Public Works  
Walter Denton, City Administrator  
**Date:** August 15, 2004  
**Subject:** MOTION - Water Department Supplies - 3/4 Inch Soft Copper Waterline

**List of committees that have reviewed:** None.

**Background:** On August 2, 2005, a bid opening was held for the annual Water Division supply requirement for 3/4" copper water line.

**Legal Considerations, if any:** A letting of bids carries normal legal considerations for awarding material supply agreements.

**Budget Impact:** Money has been allocated for this work in the FY2005-2006 Budget.

**Staff recommendation:** Staff recommends award to the low bidder, Schulte Supply (Edwardsville), for 10,000 lineal feet of piping at \$1.49 per foot for a total of \$14,990.00. The only other bidder was Pipe & Valve (Washington Park) at \$1.66 per lineal foot for a total of \$16,600.00.
