

## CITY COUNCIL AGENDA ITEMS

**To:** Mayor Graham and City Council  
**From:** Dennis Sullivan, Director of Engineering & Public Works  
Walter Denton, City Administrator  
**Date:** September 6, 2005  
**Subject:** MOTION - Emergency WWTP Cutter Cartridge Exchange, Sewage Grinder

**List of committees that have reviewed:** None

**Background:** Staff requested a quote from JWC's Southeast Service Center for exchange of the cutter cartridge that is worn and needs replacement. The price for a rebuilt cartridge with exchange of our existing one is \$8,000. JWC is the factory rep for the piece of equipment that is installed in our plant.

**Legal Considerations, if any:** Normal considerations for awarding a sole source purchase order.

**Budget Impact:** Funds are available in the FY-06 City Operating Budget for the WWTP repair.

**Staff recommendation:** Approve authorization of \$8,000 for repair of WWTP cutter cartridge.
