

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Dean Rich, Director of Finance
Date: October 3, 2005
Subject: RESOLUTION - Continuing Professional Services Agreement, Oates Associates

List of committees that have reviewed: Public Works

Background: Oates regularly provides us with a review of subdivision and commercial development plans, primarily concentrating on storm water. This general provisions agreement has no dollar value, but it provides a set of terms and conditions for future letter agreements as may be executed or invoices for smaller tasks assigned.

Legal Considerations, if any: None.

Budget Impact: None.

Staff recommendation: Staff recommends approval of the Oates general provisions for contracting with the City of O'Fallon. Related letter agreements or assigned tasks would be brought to Committee and Council for approval as per the City of O'Fallon Purchasing Manual.
