

## CITY COUNCIL AGENDA ITEMS

**To:** Mayor Graham and City Council  
**From:** Dennis Sullivan, Director of Engineering & Public Works and  
Walter Denton, City Administrator  
**Date:** November 21, 2005  
**Subject:** MOTION - Water Supplies

**List of committees that have reviewed:** This item has not been reviewed by Committee.

**Background:** On November 16, 2005, bids were received for Water Division supply requirements. The items covered included ¾" corporation stops, service saddles for 6" and 8" pipe, slotted meter tile, and meter box frames w/covers.

**Legal Considerations, if any:** A letting of bids carries normal legal considerations for awarding material supply purchases.

**Budget Impact:** The total cost of supplies from the low bidder is \$22,488.75. Money has been allocated for this purchase in the FY2006 approved budget.

**Staff recommendation:** Staff recommends award to the low bidder, National Waterworks of Lebanon, IL. The bid tabulation is attached.
