

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: MJ Hutchison, Parks & Recreation Director &
Walter Denton, City Administrator
Date: July 3, 2006
Subject: Motion-Purchase & Award Bid to CC Sports Stop for Soccer Equipment for
O'Fallon Parks & Recreation KIXX Soccer Program

List of committees that have reviewed: Parks & Environment discussed during the budget process.

Background: The City of O'Fallon Parks & Recreation Department (OPRD) has developed a new select or travel soccer program. The Kixx Soccer Club is a member of the Southern Illinois Soccer League (SISL), which is a member of the Illinois Youth Soccer Association. The Club is required to provide home fields with regulation goals (4), benches (8), bleachers (8), nets, and anchors. We hope to provide 4 fields at the Public Safety Building for estimated 8 to 10 teams. Also included in this bid, is the purchase of a Graco Honda Field Laser Liner. Bids were open on June 28 in the Clerk's Office. C & C was the only bidder. The C & C bid specifications were within expectations for cost projections.

Legal Considerations, if any: None

Budget Impact: Approved in the FY06 Parks & Recreation Budget. Parks & Recreation received a \$10,000 equipment grant from St. Clair Grant Commission.

Staff recommendation: Staff recommends awarding the bid to C & C Sports Stop in amount not exceed \$21,736.00.
