

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: John Betten, Director of Public Safety
Dennis Sullivan, Director of Public Works
Walter Denton, City Administrator
Date: November 20, 2006
Subject: ORDINANCE – Speed Limits, Simmons and Porter Roads

List of committees that have reviewed: Public Safety.

Background: With the annexation of the Family Sports Park property that borders Porter Road and Parcs at Arbor Green Subdivision that borders Simmons Road, the City now has jurisdiction over the majority of the roadway lengths near these properties. As such it is incumbent upon the City to set the speed limits along these stretches. This amendment to the speed limit ordinance will designate 35 mph on these roads and authorize installation of signage and enforcement.

Legal Considerations, if any: None, traffic control per accepted standards.

Budget Impact: Public Works has funding in current operations budget for signage.

Staff recommendation: Staff recommends passage of the ordinance amending the schedule for these roadways serving O'Fallon.
