Section 3. Bond Details. For the purpose of paying all or a part of the costs of the Special Services, including the costs of the Issuer in connection with the issuance of the Bonds, there shall be borrowed by, for and on behalf of the Issuer the sum of \$1,500,000. In evidence of such borrowing, the Bonds of the Issuer shall be issued as provided in this ordinance and shall each be designated: “**Special Service Area Number Seven (East Side Greenmount Road) Special Ad Valorem Tax Bond, Taxable Series 2007A**” (\$1,500,000 principal amount). The Bonds shall be in substantially the form in Exhibit C.

(a) **General.** The Bonds of each series shall be issued in fully registered form without coupons initially in minimum denominations of \$100,000 and \$5,000 or any authorized integral multiple thereof in excess of \$100,000 and shall be numbered R-1 and upward, but need not be authenticated or delivered in consecutive order. The Bonds shall be dated January 1, 2007, and otherwise as of or after the effective date of this ordinance and as of or before the date of their issuance, as the initial purchaser or purchasers thereof agree or accept. The Bonds shall mature on December 1 on each of the years and in the amounts and shall bear interest from their date until paid at rates percent per annum as follows:

*To be paid at maturity unless previously retired.

Interest on the Bonds shall be payable on June 1 and December 1 of each year, commencing December 1, 2007, from moneys deposited from the Special Service Area Taxes levied under this ordinance by check or draft of the Paying Agent mailed to the person in whose name the Bonds are registered on the books of the Bond Registrar at the close of business on the fifteenth (15th) day (whether or not a business day) of the calendar month preceding each interest payment date. Interest on the Bonds shall be computed on the basis of a 360-day year of twelve 30-day months. The principal of each Bond shall be payable at maturity upon presentment of the Bond at the principal office of the Bond Registrar.

(b) Redemption. The Bonds shall be subject to redemption, as follows:

(i) Optional. Bonds maturing on and after December 1, 2016 are subject to redemption prior to their maturity at the option of the Issuer, in whole or in part, and if in part, in inverse order of their maturities, on any date on and after December 1, 2011, from duly available funds therefor at a redemption price equal to the principal amount of the Bonds to be so redeemed, plus accrued and unpaid interest to the date of redemption.

(ii) Term Bonds. This paragraph (ii) shall apply only to the extent Section 3(a) above or a Bond Order shall specify any Term Bonds (the “**Term Bonds**”), and otherwise shall not apply. Bonds so specified as Term Bonds, if any, are subject to mandatory sinking fund redemption in the principal amount on December 1 of the years so specified, but corresponding to the amounts specified above in Section 3(a), or otherwise as duly set forth in a Bond Order.

At its option before the 45th day (or such lesser time acceptable to the Bond Registrar) next preceding any mandatory sinking fund redemption date in connection with Term

Bonds the Issuer by furnishing the Bond Registrar and the Paying Agent an appropriate certificate of direction and authorization executed by the Mayor may: (A) deliver to the Bond Registrar for cancellation Term Bonds in any authorized aggregate principal amount desired; or (B) furnish the Paying Agent funds for the purpose of purchasing any of such Term Bonds as arranged by the Issuer; or (C) receive a credit (not previously given) with respect to the mandatory sinking fund redemption obligation for such Term Bonds which prior to such date have been redeemed and cancelled. Each such Bond so delivered, previously purchased or redeemed shall be credited at 100% of the principal amount thereof, and any excess shall be credited with regard to future mandatory sinking fund redemption obligations for such Bonds in chronological order, and the principal amount of Bonds to be so redeemed as provided shall be accordingly reduced. In the event Bonds being so redeemed are in a denomination greater than \$5,000, a portion of such Bonds may be so redeemed, but such portion shall be in the principal amount of \$5,000 or any authorized integral multiple thereof.

(iii) **Procedure:** If less than all of the Bonds of any maturity are to be redeemed on any redemption date, the Bond Registrar appointed in this ordinance shall assign to each Bond of the maturity to be redeemed a distinctive number for each \$5,000 of principal amount of that Bond. The Bond Registrar shall then select by lot from the numbers so assigned, using such method as it shall deem proper in its discretion, as many numbers as, at \$5,000 per number, shall equal the principal amount of Bonds of that maturity to be redeemed.

With notice at least 45 days before the redemption date by the Issuer to the Bond Registrar, or such lesser or other notice as the Bond Registrar accepts, notice of the redemption of any Bonds, which by their terms shall have become subject to redemption, unless waived, shall be given to the registered owner of each Bond or portion of a Bond called for redemption not less than 30 nor more than 60 days before any date established for redemption of Bonds, by the Bond Registrar, on behalf of the Issuer, by first class mail sent to each affected registered owner's last address appearing on the registration books kept by the Bond Registrar. In the case of a Bond to be redeemed in part only, the notice shall specify the portion of the principal amount of the Bond to be redeemed. The mailing of the notice specified above to the registered owner of any Bond shall be a condition precedent to the redemption of that Bond, provided that any notice which is mailed in accordance with this ordinance shall be conclusively presumed to have been duly given whether or not the registered owner received the notice. The failure to mail notice to the registered owner of any Bond, or any defect in that notice, shall not affect the validity of the redemption of any other Bond. Moneys for redemption being on deposit with the Paying Agent on the redemption date, interest on the Bonds so called for redemption shall cease to accrue after the redemption date. Notice of redemption may be waived by a registered owner on terms acceptable to the Bond Registrar.

All notices of redemption shall include at least the information as follows: (1) the identification of the particular Bonds to be redeemed; (2) the redemption date; (3) the redemption price; (4) if less than all of the Bonds of a particular maturity are to be redeemed, the identification numbers and maturities (and, in the case of partial redemption of any Bond, the respective principal amounts) of the Bonds to be redeemed; (5) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and

after such date; and (6) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal payment office of the Paying Agent.

Prior to any redemption date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

In addition to the foregoing notice set forth above, further notice shall be given by the Bond Registrar on behalf of the Issuer as set out below, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (a) the CUSIP numbers of all Bonds being redeemed; (b) the date of issue of the Bonds as originally issued; (c) the rate of interest borne by each Bond being redeemed; (d) the maturity date of each Bond being redeemed; and (e) any series or other descriptive information needed to identify accurately the Bonds being redeemed.

Each further notice of redemption shall be sent at least thirty-five (35) days before the redemption date to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services, chosen in the discretion of the Bond Registrar, that disseminate notice of redemption of obligations such as the Bonds.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall identify the series and the Bond or Bonds, or portion thereof, being redeemed with the proceeds of such check or other transfer.

In the event any Bond is redeemed in part only, the registered owner or such registered owner's attorney duly authorized in writing shall surrender such Bond at the principal office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to, the Bond Registrar and duly executed by the registered owner or such registered owner's attorney duly authorized in writing, for payment of the principal amount thereof so called for redemption, and the Issuer shall execute, the Bond Registrar shall authenticate, and the Bond Registrar shall deliver to or upon the order of such registered owner or such registered owner's attorney duly authorized in writing, without charge therefor, a new fully registered Bond or Bonds of the same maturity for an aggregate principal amount equal to the unredeemed portion of the principal amount of the Bond so surrendered. The execution by the Issuer of any fully registered Bond shall constitute full and due authorization of such Bond and the Bond Registrar shall thereby be authorized to authenticate, and to deliver, such Bond.

(c) **Execution.** Each Bond shall be executed by the manual or facsimile signature of the Issuer's Mayor and the manual or facsimile signature of the Issuer's City Clerk and shall have the corporate seal of the Issuer affixed to it (or a facsimile of that seal printed on it). The Issuer's Mayor and City Clerk (if they have not already done so) are authorized and directed to file with the Illinois Secretary of State their manual signatures certified by them pursuant to the

Uniform Facsimile Signatures of Public Officials Act, as amended, which shall authorize the use of their facsimile signatures to execute the Bonds. Each Bond so executed shall be as effective as if manually executed. In case any officer of the Issuer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before authentication and delivery of any of the Bonds, that signature or facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if the officer had remained in office until delivery.

No Bond shall be valid for any purpose unless and until a certificate of authentication on that Bond, substantially in the form set forth in Exhibit C to this ordinance, shall have been duly executed by the Bond Registrar as authenticating agent of the Issuer. Such a certificate upon any Bond shall be conclusive evidence that the Bond has been authenticated and delivered under this ordinance. The Bonds shall be in substantially the form set forth in Exhibit C to this ordinance.

(d) **Bond Order**. The Bonds shall have such terms and provisions supplemental to, in addition to or modified and revised with respect to, those as provided herein, as long as the aggregate principal amount of the Bonds does not exceed \$1,500,000 and the tax levies in Section 9 are not exceeded, as may be set forth in a Bond Order. For purposes of the foregoing and otherwise in this ordinance, the term “**Bond Order**” shall mean a certificate signed by the Mayor and attested by the City Clerk and under the seal of the Issuer, at the time of issuance of the Bonds, setting forth and specifying details of the Bonds, including, as the case may be, but not limited to, identification of the Bond Registrar and Paying Agent, final rates, optional and mandatory call provisions, specification of the Reserve Requirement and the Expense/Administration Account deposits, payment dates, bond insurance provisions and the final maturity schedule. The Bonds shall be conformed to any Bond Order.

Section 4. Registration of Bonds; Persons Treated as Owners. The Bonds shall be negotiable, subject to the provisions for registration of transfer contained herein and related to book-entry only registration.

(a) **General**. This subsection (a) is subject to the provisions of subsection (b) concerning book-entry only provisions. The Issuer shall cause books (the “**Bond Register**”) for the registration and for the registration of transfer of the Bonds as provided in this ordinance to be kept at the principal office of the Bond Registrar, which is hereby constituted and appointed the Bond Registrar of the Issuer. The Issuer is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the Issuer for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by, the registered owner or such registered owner’s attorney duly authorized in writing, the Issuer shall execute and the Bond Registrar shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at the office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity of

other authorized denominations. The execution by the Issuer of any fully registered Bond shall constitute full and due authorization of such Bond and the Bond Registrar shall thereby be authorized to authenticate and to deliver such Bond.

The Bond Registrar shall not be required to exchange or register the transfer of Bonds **(i)** during the period from the fifteenth (15th) day of the calendar month next preceding any interest payment date on the Bonds and ending on such interest payment date, **(ii)** during the fifteen (15) days next preceding mailing of a notice of redemption of any Bond or **(iii)** after notice of redemption of any Bond or any portion of any Bond has been mailed.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or such registered owner's legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

For every registration of transfer of Bonds, the Issuer or the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge, other than one imposed by the Issuer, required to be paid with respect to that transfer, and payment of that charge by the person requesting registration of transfer shall be a condition precedent to that registration of transfer. No other charge may be imposed by the Issuer or the Bond Registrar as a condition precedent to registration or transfer of any Bond.

(b) Book-Entry-Only Provisions. Unless otherwise set forth in a Bond Order, the Bonds shall be issued in the form of a separate single fully registered Bond of each series for each of the maturities of the Bonds. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register therefor in a street name (initially "**Cede & Co.**" for DTC) of the Depository, or any successor thereto, as nominee of the Depository. The outstanding Bonds from time to time may be registered in the Bond Register in a street name, as nominee of the Depository. If not already done, the Issuer's Mayor, City Administrator or City Treasurer is authorized to execute and deliver on behalf of the Issuer such letters to or agreements with the Depository as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the "**Representation Letter**"). Without limiting the generality of the authority given to the Mayor, City Administrator or City Treasurer with respect to entering into such Representation Letter, it may contain provisions relating to **(a)** payment procedures, **(b)** transfers of the Bonds or of beneficial interest therein, **(c)** redemption notices and procedures unique to the Depository, **(d)** additional notices or communications, and **(e)** amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices.

With respect to Bonds registered in the Bond Register in the name of a nominee of the Depository, the Issuer and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "**Depository Participant**") or to any person on behalf of whom such a Depository Participant or an Indirect Participant holds an interest in the Bonds (an

“indirect participant” or a “beneficial owner”). Without limiting the meaning of the foregoing, the Issuer and the Bond Registrar or Paying Agent shall have no responsibility or obligation with respect to (a) the accuracy of the records of the Depository, the nominee, or any Depository Participant, Indirect Participant or Beneficial Owner, with respect to any ownership interest in the Bonds, (b) the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (c) the payment to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds.

Section 5. Bond Registrar and Paying Agent. The Issuer covenants that it shall at all times retain a Bond Registrar and Paying Agent with respect to the Bonds and shall cause to be maintained at the office of such Bond Registrar a place where Bonds may be presented for registration of transfer or exchange, that it will maintain at the designated office of the Paying Agent a place where Bonds may be presented for payment, that it shall require that the Bond Registrar maintain proper registration books and that it shall require the Bond Registrar and Paying Agent to perform the other duties and obligations imposed upon each of them by this ordinance in a manner consistent with the standards, customs and practices concerning municipal securities. The Issuer may enter into appropriate agreements with the Bond Registrar and Paying Agent in connection with the foregoing, including as follows (in any event, (a) - (f) below shall apply to the Bond Registrar and Paying Agent):

(a) to act as Bond Registrar, authenticating agent, Paying Agent and transfer agent as provided herein;

(b) to maintain a list of the registered owners of the Bonds as set forth herein and to furnish such list to the Issuer upon request, but otherwise to keep such list confidential;

(c) to cancel and/or destroy Bonds which have been paid at maturity or submitted for exchange or transfer;

(d) to give notices of redemption as provided herein;

(e) to furnish the Issuer at least annually a certificate with respect to Bonds cancelled and/or destroyed; and

(f) to furnish the Issuer at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

The Bond Registrar and Paying Agent shall signify their acceptances of the duties and obligations imposed upon them by this ordinance. The Bond Registrar by executing the certificate of authentication on any Bond shall be deemed to have certified to the Issuer that it has all requisite power to accept, and has accepted, such duties and obligations not only with respect to the Bond so authenticated but with respect to all of the Bonds. The Bond Registrar and Paying Agent are the agents of the Issuer for such purposes and shall not be liable in connection with the performance of their respective duties except for their own gross negligence

or willful default. The Bond Registrar shall, however, be responsible for any representation in its certificate of authentication on the Bonds.

The Issuer may remove the Bond Registrar or Paying Agent at any time. In case at any time the Bond Registrar or Paying Agent shall resign (such resignation to not be effective until a successor has accepted such role) or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Bond Registrar or Paying Agent, or of its property, shall be appointed, or if any public officer shall take charge or control of the Bond Registrar or Paying Agent or of their respective properties or affairs, the Issuer covenants and agrees that it will thereupon appoint a successor Bond Registrar or Paying Agent, as the case may be. The Issuer shall mail or cause to be mailed notice of any such appointment made by it to each registered owner of Bonds within twenty (20) days after such appointment. Any Bond Registrar or Paying Agent appointed under the provisions of this Section 5 shall be a bank, trust company or other qualified professional with respect to such matters, maintaining its principal office in the State of Illinois.

Section 6. Security. The Bonds, together with the interest thereon, shall be limited obligations of the Issuer, payable from ad valorem taxes to be levied in the amounts specified in this ordinance on each lot or parcel of the taxable property within the Special Service Area, without limitation as to rate or amount. The Bonds shall not constitute general obligations of the Issuer and neither the full faith and credit nor the taxing power of the Issuer (other than in respect of the Special Service Area) shall be pledged as security for payment of the Bonds, but the full faith and credit of the various lots and parcels in the Special Service Area shall be so pledged as such security.

Section 7. Sale of Bonds. The offer of the Underwriter in the Bond Purchase Agreement for the Bonds to purchase the Bonds at the price set forth in the Bond Purchase Agreement is accepted, and the Mayor is authorized to accept the offer in substantially the form of the Bond Purchase Agreement, as presented before the meeting of the Corporate Authorities at which this ordinance is adopted. The Underwriter shall receive a credit against the price of the Bonds for the underwriting discount and other costs of issuance directly paid by the Underwriter, which payment is hereby authorized. The Underwriter is authorized to use the Limited Offering Memorandum, in preliminary and final form, in the marketing and placement of the Bonds, as supplemented by the Disclosure Agreement. Sales by the underwriter and by the registered and beneficial owners of the Bonds shall be only to persons qualified as accredited or sophisticated investors who executed an Investment Certificate.

Section 8. Levy of Taxes. In connection therewith, the Issuer and the Corporate Authorities further agree: **(a)** through the officers of the Issuer, to make such further specific covenants, representations and assurances as may be necessary or advisable; **(b)** to consult with Bond Counsel approving the Bonds and to comply with such advice as may be given; **(c)** to file such forms, statements, and supporting documents as may be required and in a timely manner; and **(d)** if deemed necessary or advisable, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Issuer in such compliance.

Government Securities shall be considered sufficient only if such investments are not redeemable prior to maturity at the option of the issuer and mature and bear interest in such amounts and at such times as will assure sufficient cash to pay currently maturing interest and to pay principal when due on the Bonds.

The Issuer may at any time surrender to the Bond Registrar for cancellation by it any Bonds previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever; and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

The Bonds are secured by the full faith and credit of and a levy of general property taxes only against the lots, blocks, tracts and parcels within the Special Service Area.

THE BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE ISSUER, THE STATE OF ILLINOIS OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE OF ILLINOIS, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION. NO OWNER OF THIS BOND SHALL HAVE THE RIGHT TO COMPEL THE EXERCISE OF THE GENERAL TAXING POWER OF THE ISSUER OR ANY USE OF ANY FUNDS OF THE ISSUER (OTHER THAN THE SPECIAL SERVICE AREA TAXES) FOR PAYMENT OF PRINCIPAL OF, REDEMPTION PREMIUM, IF ANY, OR INTEREST ON THIS BOND.

Under the Bond Ordinance, the Special Service Area Taxes provided for therein shall be deposited in the Special Services Fund (the “**Special Services Fund**”), which Fund shall be held by the Issuer. Moneys on deposit in a separate subaccount of the Principal and Interest Account of the Special Services Fund shall be applied as needed to pay the principal of, redemption premium, if any, and interest on the Bonds.

Bonds maturing on and after December 1, 2016, are subject to redemption prior to maturity at the option of the Issuer, in whole or in part, and if in part, in inverse order of their maturities, on any date on and after December 1, 2011, at a redemption price equal to the principal amount of Bonds to be redeemed plus accrued and unpaid interest to the date of redemption.

Bonds maturing on December 1, 2017 and December 1, 2027 are Term Bonds (the “**Term Bonds**”), and are subject to mandatory sinking fund redemption in the principal amount on December 1 in each of the years, as follows:

<u>2017 Term Bonds</u>		<u>2027 Term Bonds</u>	
<u>Year</u>	<u>Principal Amount(\$)</u>	<u>Year</u>	<u>Principal Amount(\$)</u>
2007	40,000	2018	65,000
2008	30,000	2019	70,000
2009	30,000	2020	80,000
2010	35,000	2021	85,000
2011	40,000	2022	95,000
2012	40,000	2023	105,000
2013	45,000	2024	115,000
2014	45,000	2025	125,000
2015	50,000	2026	140,000
2016	55,000	2027	150,000*
2017	60,000*		

*To be paid at maturity unless previously retired.

If less than all the Bonds of any maturity are to be redeemed on any redemption date, the Bond Registrar will assign to each Bond of the maturity to be redeemed a distinctive number for each \$5,000 of principal amount of that Bond. The Registrar will then select by lot from the numbers so assigned, using such method as it shall deem proper in its discretion, as many numbers as, at \$5,000 per number, shall equal the principal amount of Bonds of that maturity to be redeemed.

Notice of the redemption of any Bonds, which by their terms shall have become subject to redemption, will be given to the registered owner of each Bond called for redemption in whole or in part not less than thirty (30) nor more than sixty (60) days before any date established for redemption of Bonds, by the Bond Registrar, on behalf of the Issuer, by first class mail sent to the registered owner's last address, if any, appearing on the registration books kept by the Bond Registrar. In the case of a Bond to be redeemed in part only, the notice will specify the portion of the principal amount of the Bond to be redeemed. The mailing of the notice specified above to the registered owner of any Bond will be a condition precedent to the redemption of that Bond, provided that any notice which is mailed in accordance with the Bond Ordinance will be conclusively presumed to have been duly given whether or not the registered owner received that notice. The failure to mail notice to the registered owner of any Bond, or any defect in that notice, shall not affect the validity of the redemption of any other Bond. Moneys for redemption being on deposit with the Paying Agent on the redemption date, interest on the Bonds so called for redemption shall cease to accrue after the redemption date.

In the event any Bond is redeemed in part only, the registered owner or such registered owner's attorney duly authorized in writing shall surrender such Bond at the principal office of the Paying Agent, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Registrar and duly executed by the registered owner or such registered owner's attorney duly authorized in writing, for payment of the principal amount thereof so called for redemption, and the Issuer shall execute, the Bond Registrar shall authenticate and deliver to or upon the order of such registered owner or such registered owner's attorney duly

authorized in writing, without charge therefor, a new fully registered Bond or Bonds of the same maturity for an aggregate principal amount equal to the unredeemed portion of the principal amount of the Bond so surrendered.

This Bond is transferable by the Registered Owner hereof in person or by such Registered Owner's attorney duly authorized in writing at the principal office of the Bond Registrar, in St. Louis, Missouri, but only in the manner, subject to the limitations and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denominations of the same maturity and for the same aggregate principal amount will be issued to the transferee in exchange therefor.

The Bonds are issued in fully registered form in the authorized denominations set forth in the Bond Ordinance. This Bond may be exchanged at the designated principal office of the Bond Registrar for a like aggregate principal amount of Bonds of the same maturity of other authorized denominations, upon the terms set forth in the Bond Ordinance.

The Issuer, the Paying Agent and the Bond Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Paying Agent or the Bond Registrar shall be affected by any notice to the contrary.

The Bond Registrar will not be required to exchange or register the transfer of any Bond **(i)** from the fifteenth (15th) day of the calendar month next preceding any interest payment date on the Bonds to such interest payment date, **(ii)** during the fifteen (15) days next preceding mailing of a notice of redemption of such Bonds or **(iii)** after notice of redemption of such Bonds or any portion of such Bonds has been mailed.

All conditions which by law must have existed or must have been fulfilled in the issuance of this Bond existed and were fulfilled in compliance with applicable law. Provision has been made for the segregation and application of the Special Service Area Taxes to pay and discharge the principal of this Bond at maturity or upon earlier redemption and to pay interest on this Bond as it falls due. The issuance of the Bonds by the Issuer will not cause the Issuer to exceed or violate any applicable limitation or condition respecting the issuance of Bonds imposed by the laws of the State of Illinois or by any ordinance or resolution of the Issuer. The Bonds are issued for purposes for which the Issuer is authorized by law to issue Bonds, including but not limited to the payment of costs of the Special Services to be provided to the Special Service Area.

This Bond shall not be valid for any purpose unless and until the certificate of authentication on this Bond shall have been duly executed by the Bond Registrar.

IN WITNESS WHEREOF, the City of O'Fallon, St. Clair County, Illinois, by its City Council, has caused this Bond to be executed by the manual or facsimile signature of its Mayor and the manual or facsimile signature of its City Clerk and has caused its corporate seal to be affixed to this Bond (or a facsimile of its seal to be printed on this Bond), all as of the Dated Date set forth above.
