

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: February 5, 2007
Subject: RESOLUTION - Agreement with Rhutasel and Associates for Design of Milburn School Road Improvement, Simmons to Pausch

List of committees that have reviewed: Public Works Committee.

Background: The proposal is for the design of the Surface Transportation Program (STP) grant project. The section of road to be re-constructed with the grant is from Simmons Road to Pausch Road. It will be basically a two lane urban section (with curbs) and left turn lanes. The design proposal is for \$96,100; construction costs are estimated at \$1,132,000. All the locally funded work is supported by Motor Fuel Tax (MFT) funds. Actual construction is scheduled for March of 2011.

Legal Considerations, if any: None

Budget Impact: The cost of this necessary work will be funded from MFT funds budgeted in future budgets.

Staff recommendation: Staff recommends execution of the RESOLUTION in the amount of \$96,100 for the needed design work.
