

**CITY COUNCIL AGENDA ITEMS**

**To:** Mayor Graham and City Council  
**From:** Dennis Sullivan, Director of Public Works  
Walter Denton, City Administrator  
**Date:** April 2, 2007  
**Subject:** ORDINANCE – Speed Limits, Regency Park Drive and Old Vincennes Road

**List of committees that have reviewed:** Public Works.

**Background:** With the opening of Regency Park Drive and an annexation activity that has garnered us the responsibility for Old Vincennes Road, it is incumbent upon the City to set the speed limits along these stretches of roadway. This amendment to the speed limit ordinance will designate 35 mph on Regency Park and 45 mph on Old Vincennes Road, and authorize installation/maintenance of signage and enforcement of the set speed limits.

**Legal Considerations, if any:** None, traffic control per accepted standards.

**Budget Impact:** Public Works has funding in current operations budget for signage.

**Staff recommendation:** Staff recommends passage of the ordinance amending the schedule for these roadways serving O'Fallon.
