

CITY COUNCIL AGENDA ITEM

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: June 18, 2007
Subject: RESOLUTION – Traffic Study Proposal, New 9th Grade Attendance Center

List of committees that have reviewed: None

Background: The City's annexation agreement with District 203 requires the City to conduct a traffic study to determine the center's impact on the existing roadways serving the site at Milburn School Road and Merriam Parkway and what should be done to better accommodate future traffic to the site.

Legal Considerations, if any: None beyond that for obtaining consulting services.

Budget Impact: Funding for this analysis and support work will come from General funds set aside for traffic engineering.

Staff recommendation: Staff recommends execution of the RESOLUTION agreement with Crawford, Bunte, Brammeier not to exceed the amount of \$9,745 for the subject services needed to assess the traffic and roadways in the vicinity of the proposed attendance center.
