

CITY COUNCIL AGENDA ITEMS

To: Mayor and City Council
From: Walter Denton, City Administrator
Dennis Sullivan, Director of Engineering & Public Works
Date: October 1, 2007
Subject: RESOLUTION - Dumpster Enclosures

List of committees that have reviewed: Public Works

Background: The current City Ordinance requires trash dumpsters to be located in appropriate enclosures. The City currently has several locations that are not in compliance with that ordinance or in need of major repairs. This received bid is for construction of dumpster enclosures at Rock Springs Park and City Hall. Liberating Solutions is a veteran "back to work" organization supported primarily by federal and state funds to mainstream disabled and able-bodied veterans into the work place. The bid was discussed with Liberating Solutions and the bidder has a thorough understanding of work to be completed.

Legal Considerations, if any: None beyond typical construction contract concerns.

Budget Impact: Funding for this item will be from facility repair funds contained in the current operating budget.

Staff Recommendation: Staff recommends acceptance of low bid submitted by Liberating Solutions in the amount of \$10,800.00.
