- ⑥ Approving a Minor Subdivision for MRK Land Trust, also known as Water Tower Acre.

—

⑥ This is a re-consideration of the minor subdivision originally approved by the City Council at its September 17, 2007. After further discussion with Mr. Kombrink's attorney, there is a certification that needs to be added to the plat pursuant to the requirements for the City's closing on acquisition of the 1 acre tract for our new water tower. The added script language will say "No through public street may be established in Lot 1 connecting Pausch Road to the parcel immediately east of Lot 1." This has been reviewed and recommended for approval by special legal counsel Dan Vogel.
