

## CITY COUNCIL AGENDA ITEMS

**To:** Mayor Graham and City Council  
**From:** Dennis Sullivan, Director of Engineering & Public Works  
Dean Rich, Director of Finance  
**Date:** November 5, 2007  
**Subject:** RESOLUTION - IDOT Resolution, Additional Support of Simmons Road Reconstruction

**List of committees that have reviewed:** Public Works

**Background:** The Illinois Department of Transportation (IDOT) needs Council to pass a supplemental resolution to support the final City payment for the Simmons Road Reconstruction done in 2006. Council initially passed one for \$110,000.00 at their request, but that was in error as the amount shown on estimates of construction exceeded that. The final cost to the City is \$159,806.85 which has been paid to IDOT. IDOT auditors caught the snafu at project closeout and are requesting the paperwork to correct the earlier error.

**Legal Considerations, if any:** None.

**Budget Impact:** None.

**Staff Recommendation:** Approve correction of the support resolution.
