

CITY COUNCIL AGENDA ITEMS

To: Mayor and City Council
From: Walter Denton, City Administrator
Dennis Sullivan, Director of Public Works
Date: July 7, 2008
Subject: ORDINANCE – No Parking, East Side of School Street,
Central Elementary School

List of committees that have reviewed: Public Works.

Background: – Prior to and at the end of a school day or during special events held at the school, cars are currently being parked on both sides of School Street, restricting access by other vehicles. The existing street is only 17 feet wide. Additionally, with cars parked on both sides, emergency vehicles are restricted from using this important route to the rear of the school. (See attached diagram.)

Legal Considerations, if any: None.

Budget Impact: Public Works has funds in its current operating budget for the signage.

Staff recommendation: Authorize the change to the City's "No Parking Zones" ordinance.
