

## CITY COUNCIL AGENDA ITEMS

**To:** Mayor Graham and City Council  
**From:** Dennis Sullivan, Director of Engineering & Public Works  
Walter Denton, City Administrator  
**Date:** August 4, 2008  
**Subject:** RESOLUTION – Preliminary Engineering Agreement for Venita Overpass with CSX Railroad

**List of committees that have reviewed:** Public Works

**Background:** This agreement with CSX is for preliminary engineering only. CSX uses URS Corporation (Indianapolis) as their consultant. This agreement will allow the City's consultant designing the overpass to submit design scoping to the railroad for their comments.

**Legal Considerations, if any:** None, beyond normal consideration when contracting for professional services.

**Budget Impact:** The costs can be covered under currently programmed Streets funds.

**Staff recommendation:** Staff recommends approval of the agreement with CSX Railroad in the amount of \$15,000.
