

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: August 4, 2008
Subject: RESOLUTION – GIS Services

List of committees that have reviewed: Public Works

Background: This proposal from Burns & McDonnell will provide GIS services as required in support of the City of O'Fallon's geographical information system (GIS). Burns & McDonnell has provided similar services for Public Works over the past 4 years. Burns & McDonnell personnel are very familiar with our system and software, and have provided excellent service in the past.

Legal Considerations, if any: None, beyond normal consideration when contracting for professional services.

Budget Impact: This project was budgeted for in the Public Works 2009 budget.

Staff recommendation: Staff recommends approval of the contract with Burns & McDonnell in the amount of \$40,000.
