

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: August 04, 2008
Subject: RESOLUTION –State Street Sidewalk Extension Design Proposal

List of committees that have reviewed: Public Works

Background: This proposal from Rhutasel and Associates is for the design of 2,500 feet of sidewalk and curbing with drainage from Willow to Oberneufemann. This project is to be supported by Prop S funding. A design proposal and agreement with CSX railroad for the railroad crossing of the sidewalk have been previously approved by Council.

Legal Considerations, if any: None, beyond normal consideration when contracting for professional services.

Budget Impact: The design and construction will be funded by Prop S funding reserved in the FY09 and FY10 budgets, respectively.

Staff recommendation: Staff recommends approval of the contract with Rhutasel and Associates, Inc in an amount not to exceed \$19,500.
