

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Public Works
Walter Denton, City Administrator
Date: October 6, 2008
Subject: ORDINANCE – Amendment of Chapter 77 – Speed Restrictions – Milburn School Road

List of committees that have reviewed: Public Works

Background: The speed along the portions of the road controlled by the City is now posted at 50 mph from the days that Caseyville Township Road District maintained the road. In future road projects to be constructed by District 203 and the City, the speed limit will need to be set at 45 mph to conform to IDOT standards. Staff recommends that the speed be lowered at this time to meet that standard as well as in recognition of the road's transition from rural collector road to urban collector.

Legal Considerations, if any: None.

Budget Impact: Funds for signage and signage changes are already included in the Streets operation budget.

Staff recommendation: Staff recommends the change in the ordinance wording.
