

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Public Works
Walter Denton, City Administrator
Date: October 20, 2008
Subject: ORDINANCE – Amendment of Chapter 77 – Speed Restrictions – Milburn School Road, 35 MPH Section

List of committees that have reviewed: Public Works

Background: The speed along the portions of the road controlled by the City is now posted at 35 mph from the days that Caseyville Township Road District maintained the road from Merriam Parkway to Simmons Road. However, now that the City maintains the majority of this section of the road, a City ordinance for enforcement purposes needs to be put in place.

Legal Considerations, if any: None.

Budget Impact: Funds for signage and signage changes are already included in the Streets operation budget.

Staff recommendation: Staff recommends the establishment of an ordinance for the 35 MPH section of Milburn School Road.
