Dennis Sullivan, Director of Public Works
Date: January 20, 2009
Subject: ORDINANCE – No Parking – St Clare School Area

List of committees that have reviewed: Public Safety.

Background: With the reconstruction of Oak Street, the east side of the street between 2nd and 3rd Streets was made a “No Parking” zone. After review of the situation by the Principal of St Clare School, he has proposed modifying the no parking areas. To allow school buses that drop students in front of the school (3rd Street side) to make the turn onto Oak with the students headed for Marie Schaefer Elementary, no parking is needed on both sides of Oak in front of St Clare Church (first 75-feet). And, only the first 50-feet of the east side of Oak north of the intersection of Oak and 3rd needs to be a no parking zone. Additionally, the areas in front of the church need only be no parking during school days.

Legal Considerations, if any: None.

Budget Impact: Public Works has funds in its current operating budget for the signage and painting.

Staff recommendation: Re-designate the no parking areas that affect the operation of St. Clare School.
