

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Calvin Beckmann, Parks & Grounds Superintendent,
MJ Hutchison, Parks & Recreation Director &
Walter Denton, City Administrator
Date: April 6, 2009
Subject: Award Sport Park Scoreboard Bid to Nevco

List of committees that have reviewed: Reviewed but not awarded in June 2007

Background: The Parks & Recreation Department received two sealed bids for (4) Scoreboards on March 10, 2009. The bid specifications called for LED lighting with standard ball field information such as innings, balls, strikes, outs, home & guest scoring, as well as a timer to aid in game management. The primary concern was the ability to provide a separate wireless control device for each scoreboard and the ability to handle future scoreboard additions without interference with other wireless control devices. This project was bided previously but not awarded.

Staff recommends awarding the contract to Nevco Scoreboard Company of Greenville, IL. The total cost for equipment and installation is \$24,995. Daktronics failed to meet bid specifications.

Legal Considerations, if any: Dale Funk Reviewed

Budget Impact: FY09 Budgeted Item and received \$6,000 from PepsiCO

Staff recommendation: Staff recommends approval
