

CITY COUNCIL AGENDA ITEM

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Public Works
Walter Denton, City Administrator
Date: June 1, 2009
Subject: ORDINANCE – Thomas Acres Sanitary Sewer District

List of committees that have reviewed: Public Works

Background: In an effort to clean up old ordinances, Staff has determined that the ordinance pertaining to Thomas Acres Sanitary Sewer District is no longer needed. This area that is basically along Elm and Orchard west of Walnut has now long been part of the City and is built-out. The special provisions of the old ordinance section no longer apply.

Legal considerations, if any: None

Budget impact: None

Staff recommendation: Staff recommends deleting the Thomas Acres Sanitary Sewer District language from the City's ordinances.
