

CITY OF O'FALLON, ILLINOIS
ORDINANCE NO.

AN ORDINANCE AMENDING
THE CODE OF ORDINANCES
OF THE CITY OF O'FALLON,
CHAPTER 51, REGARDING
WASTEWATER RATES,
SECTION 51.072 MULTIPLE
UNITS ON ONE METER.

WHEREAS, the method that sewer charges are computed was recently changed, and

WHEREAS, with that change there is a need to redefine how charges are assessed properties with more than one use, but having only a single sewer lateral.

NOW, THEREFORE, be it ordained by the Mayor and City Council of the City of O'Fallon, Illinois, assembled that Chapter 51, Section 51.072 be amended as follows:

§ 51.072 MULTIPLE UNITS ON ONE METER.

Whenever two or more premises or residential units are served through one water meter and with only one sewer lateral connected to the sanitary main, the rates and charges for the use of the sewerage system of the city shall be established with a minimum charge based on water usage as measured by that single meter. of \$10 per quarter for each unit or district premises served through the meter. If there are multiple sewer laterals serving the premises, the base user rate shall be based on the water usage of the premises for the first lateral and any additional laterals shall cause additional charges at the minimum base user rate for each of those laterals as well.
