Date: July 20, 2009
Subject: Motion- Award Transportable Bleachers Bid to All Star Bleachers, Inc.

List of committees that have reviewed: Parks & Environment –July 13, 2009

Background: The City of O'Fallon Parks & Recreation Department formally requested bids for Transportable Bleachers on July 10, 2009. Hutchinson & Associates, Inc submitted the low bid without an acceptable transport kit. All Star Bleachers Inc. submitted the second lowest bid with acceptable transport kit and color powder coating of all seating planks. The powder coating helps reduce heat retention. Each set of bleachers shall consist of five (5) rows of seating, allowing seating of up to 50 spectators.

Legal Considerations, if any: None

Budget Impact: Approved in the FY10 Parks & Recreation Budget

Staff recommendation: Staff recommends the purchase 8 Transportable Bleachers from All Star Bleachers in the amount not to exceed \$27,330.00.
