

## CITY COUNCIL AGENDA ITEMS

**To:** Mayor and City Council  
**From:** Walter Denton, City Administrator  
**Date:** July 20, 2009  
**Subject:** Resolution Supporting the Joint Resolution for the Proposed I-64 and Union Hill Road, FVH Interchange

**List of committees that have reviewed:** None

**Background:** For a number of years, the City of Fairview Heights has been pursuing a new I-64 interchange west of Rte. 159. The City of O'Fallon has supported their efforts in the past and Fairview Heights is again proposing an interchange at Union Hill Road. The interchange will be a "half-diamond" configuration to the west with a connection to Milburn School Road to the east.

Our Northwest Transportation Study recommended an interchange at Old Collinsville Road, but IDOT has indicated to us that would highly unlikely (if not impossible). As an alternative, an additional western access to I-64 would be beneficial to O'Fallon residents who live in the northern and western areas of the city. This resolution officially expresses the City's support for Fairview Heights' application.

**Legal Considerations, if any:** None.

**Budget Impact:** None.

**Staff recommendation:** Approval.
