To: Mayor and City Council
From: Walter Denton, City Administrator
Dennis Sullivan, Director of Public Works
Date: August 17, 2009
Subject: ORDINANCE – No Parking – Old Collinsville Rd

List of committees that have reviewed: Public Safety.

Background: IDOT as part of their normal requirements for projects such as the reconstruction of Old Collinsville Road will want as part of their formal approval packet, a City of O'Fallon approved ordinance supporting “no parking” along this “Federal Aid Urban” route. The Obernuefemann reconstruction grand-fathered in parking along the section from W. Madison to W. Nixon.

Legal Considerations, if any: None.

Budget Impact: None, beyond enforcement action if needed in the future by the O'Fallon or Fairview Heights Police Departments.

Staff Recommendation: Staff recommends approval of the ordinance as part of the project documentation that is needed for final project approval.
