

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Public Works
Walter Denton, City Administrator
Date: September 21, 2009
Subject: MOTION – Copper Water Line

List of committees that have reviewed: None

Background: The City of O'Fallon Water Division has an immediate need for Type K-3/4 Inch Soft Copper Waterline and Type K-1 Inch Soft Copper Waterline that the crews will be installing throughout the year in support of new water taps. Six qualified suppliers were sent a request to supply the City of O'Fallon with price quotes for the supplies needed. HD Supply Waterworks of Lebanon, IL, had the lowest quote at \$22,775.00. The bid tab is attached for your review.

Legal Considerations, if any: None beyond obtaining supplies through competitive quote process.

Budget Impact: This is a budgeted item in the Water Operations budget.

Staff recommendation: Staff recommends awarding the low bid of \$22,775.00 to HD Supply Waterworks.
