

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: October 5, 2009
Subject: RESOLUTION - South Sludge Lagoon Cleaning and Sludge Disposal

List of committees that have reviewed: Public Works

Background: This is a maintenance item contracted every year for disposal of sludge from one of our two sludge storage lagoons at the O'Fallon wastewater treatment plant (WWTP). Only one bid was received from Merrell Brothers, which has been the contractor for the past three years. The work has gone exceptionally well with them as the contractor. Merrell Brothers bid was \$99,474.00.

Legal Considerations, if any: Normal considerations for contract services.

Budget Impact: Funds are reserved in the FY10 City Operating Budget for sludge lagoon cleaning, a yearly must pay.

Staff recommendation: Approve contract with Merrell Brothers in the amount of \$99,474.00.
