

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: November 16, 2009
Subject: RESOLUTION – GIS Services

List of committees that have reviewed: None

Background: This proposal from Burns & McDonnell will provide ongoing GIS services as required in support of the City of O'Fallon's geographical information system (GIS). Burns & McDonnell has provided similar services for Public Works over the past 5 years. Burns & McDonnell personnel are very familiar with our system and software, and have provided excellent service in the past.

Legal Considerations, if any: None, beyond normal consideration when contracting for professional services.

Budget Impact: This work was budgeted for in the Public Works FY 2010 budget. Additionally, with the departure of our GIS Specialist and the position being held open, additional funding is available for this work effort.

Staff recommendation: Staff recommends approval of the contract with Burns & McDonnell in the amount of \$16,309.
