Date: December 7, 2009
Subject: Ordinances Establishing 2009 Annual Tax Levy

List of committees that have reviewed: Finance and Administration

Background: The annual Tax Levy must be filed with the county by the fourth Tuesday in December. The levy is based on the previous year's budget and a city can not levy more in the next year than it budgeted the previous year. The EAV is the base for the next years estimate and had a multiplier added by the county. The 2009 levy reflects a \$29,293,401 increase in new property in O'Fallon. This is a 4% increase in new property this year and continues a trend of increasing EAV going back to at least 1992. The levy reflects the council's guidance to keep the property tax rate as low as possible and is a reduction of .0017 from last years rate.

Legal Considerations, if any: None when filed on time.

Budget Impact: The tax levy is the revenue source for the Fire Department, EMS & Library and provides additional funds to the general fund, pension related accounts and Parks.

Staff recommendation: Recommend approval
