Dear Mr. Grzina:

The City of O'Fallon (City) proposes to re-construct Old Collinsville Road adjacent to property that is owned by the First National Bank of St. Louis (Bank). The subject property is located at the southeast corner of the intersection of Milburn School Road and Old Collinsville Road in O'Fallon, Illinois. This project requires the acquisition of a parcel of land as highway right of way from the Bank, and as part of the negotiated agreement with the Bank the City hereby agrees to the following:

Two entrances will be permitted for the remainder of the subject parcel. Said entrances will be constructed by the property owner or its contractor.

One entrance to be located on Old Collinsville Road a minimum of 250' south of the centerline intersection with Milburn School Road.

One entrance to be located on Milburn School Road a minimum of 250' east of the centerline intersection with Old Collinsville Road.

Both entrances will allow for full ingress and egress to the remainder of the property with unrestricted movement for all traffic.

Sincerely,  
CITY OF O'FALLON

Gary L. Graham  
Mayor
