IV. Item

Item 1 OTHS Signage Request

OTHS Baseball Booster Club received over \$70,000 in donations for Diamond #1 Storage, Concession and Dugout Building. Parks & Recreation received a request from Todd Moeller, OTHS AD to post a recognition board on the Diamond #1 Dugout. The size is approximately 4' by 6'. Donations were received from various businesses and supporters. Concerns:

- City of O'Fallon not recognized
- Joint use with OTHS
- Donor Recognition for Support
- Advertising
- Additional details are required regarding location (map), etc.

The sign/recognition board will be submitted to Planning & Zoning/Community Development for review. The P & E Committee will review at the next meeting.

Item 2 Hartman Bike Trail & Long Drive

Hartman Bike Trail has had reports of motor vehicles on the trail, as well as vehicles driving around the AmerenIP Station near city owned property. Long Drive has also had similar access issues. Motorized vehicles are cutting through to access sites beyond paved roadways. The site diagram shows two 10' long concrete barriers that will be added near the Ameren site. Additional barriers were added around the bike trail entrance. Caseyville maintains a sewer-line next to the trail. We hope this will stop the problems

Motion: Renner motion to remove the gates on Diamond #1 & #2

Motion: Failed from a lack of a second

Field Reports: Review as presented

ADJOURN Motion: Drolet

Second: Polites

Approved: All
