

CITY COUNCIL AGENDA ITEMS

To: Mayor Graham and City Council

From: John Betten, Chief of Police

Walter Denton, City Administrator

Date: April 19, 2010

Subject: Resolution: Shiloh Intergovernmental Agreement for Dispatch

List of committees that have reviewed: Public Safety

Background: This Intergovernmental Agreement outlines the agreement between the City of O'Fallon and the Village of Shiloh with regard to providing police dispatch services. The agreement, which does not address the fee to be charged (that will be covered in separate contract document to follow) is necessary as we need to demonstrate to the Emergency Telephone Services Board (the 911 office) that we have reached an agreement before they will reroute the 911 calls from the current provider to our communications center.

Legal Considerations, if any: Shiloh has already signed the agreement and the City Attorney has reviewed and approved.

Budget Impact: Positive revenue opportunities exist.

Staff recommendation: Approval
