

CITY COUNCIL AGENDA ITEM

To: Mayor Graham and City Council
From: Dennis Sullivan, Director of Engineering & Public Works
Walter Denton, City Administrator
Date: May 3, 2010
Subject: RESOLUTION – Anne, Alma & Edwards Sewer Replacement – Phase I Bids

List of committees that have reviewed: Public Works

Background: Due to the age and deterioration of the sanitary sewer mains in the Anne, Alma & Edwards's neighborhood, the City of O'Fallon has a need to make improvements to the sanitary sewer mains. The replacement of these mains will help to prevent infiltration of ground water into the wastewater system and provide better sewer service to the residents of this neighborhood. An accounting of the bid is contained in the letter from HMG, Inc. that is attached.

Legal Considerations, if any: None beyond that for obtaining construction services.

Budget Impact: Funding has been budgeted for this project in the approved FY11 operating budget.

Staff recommendation: Staff recommends execution of the RESOLUTION to support the awarding of the construction contract to the lowest qualified bidder, LW Contractors, for \$159,632.00.
