Application for Special Connection

This Application made this _____ day of _____, 20____, by _____ (a corporation of the State of _____), hereinafter called the "Applicant", to the **City of O'Fallon** (a corporation of the State of Illinois), doing business in the City of _____.

The Applicant, upon the terms and conditions hereinafter set forth, hereby applies to the City of O'Fallon for a _____ inch service pipe connected to the water main of the City of O'Fallon on _____ Street in the City of _____ for the purpose of attaching to said service pipe the following fixtures and openings:

All of which fixtures and openings to be located within or upon the premises of the Applicant abutting the street on which the said main of the City of O'Fallon is located.

In consideration for which the Applicant agrees to be bound by all the terms and conditions of this application, and to pay the City of O'Fallon for service at the schedule of rates in effect from time to time during the rendition of such service.

The further terms and conditions upon which this application may be accepted by the City of O'Fallon are as follows:

First: That the City of O'Fallon, by its representatives, shall have the right to enter the premises of the Applicant at any reasonable time for the purpose of making such inspections as it may deem necessary, and it shall have the right to attach any testing device or use any means which it may elect to ascertain the condition of the pipe and appurtenances and the uses made of same.

Second: That the service connection from the water main to the (curb) (property) line shall be installed and maintained by and at the expense of **Owner**.

Third: That a detector device may be required on said service at such location as may be determined by the City of O'Fallon. Such detector device shall be installed and maintained by and at the expense of the **Owner**; all other pipe fixtures and appurtenances shall be constructed and maintained in good condition by and at the expense of the Applicant.

Fourth: That the vault and vault cover to house the detector device and related valves, fittings, etc., if required, shall be constructed and maintained by and at the expense of the **Owner**. The vault construction shall be subject to City of O'Fallon approval.

Fifth: That the service control valve shall be under the control of the City of O'Fallon, except during times of fire, when it shall be the control of the Chief of the Fire Department of said City of _____ and the Applicant agrees to obtain approval of said Chief of this application.

Sixth: That all fixtures and openings (other than control valves) shall be kept closed and sealed, and not open or used except during times of fire. Upon extinguishment of each fire, the Applicant shall immediately notify the City of O'Fallon, so that said fixtures and openings can again be closed and sealed.

Seventh: That the extent of the rights of the Applicant under this application is to receive, by only at times of fire on said premises, such supply of water as shall then be available and no other or greater. That the Applicant agrees the City of O'Fallon shall not be considered in any manner an insurer of property or persons, or to have undertaken to extinguish fire or to protect any persons or property against loss or damage by fire, or otherwise, and that it shall be free and exempt from any and all claims for damages on account of any injury to property or persons by reason of fire, water, failure to supply water or pressure, or for any other cause whatsoever.

Eighth: That this application does not contemplate uses of fixtures other than herein stated. If a supply of water for use other than extinguishment of fire is desired by the Applicant, then same shall be taken only through a service pipe separately connected with the street main of the City of O'Fallon and not connected directly or indirectly with the service pipe contemplated by this application. Any waste of water or use of water for purposes other than the extinguishment of fire through this connection shall be deemed a violation of the terms and conditions of this application and the rules and regulations of the City of O'Fallon.

Ninth: That the Applicant shall furnish, attach and make a part hereof, an accurate sketch showing the pipes, valves, hydrants, tank, openings, and appurtenances contemplated in this application. Such sketch must also show any other water supply system and pipe lines and appurtenances which may exist on the premises. There shall be no connection between such other supply and pipes connected to the City of O'Fallon's mains.

Tenth: That the rights and obligations of the Applicant hereunder shall be further subject at all times to the rates, rules and regulations of the City of O'Fallon that now exist or which may hereafter be adopted.

Eleventh: That the Applicant agrees to obtain in advance the approval of the City of O'Fallon for any change, alteration, addition or deduction contemplated in the fixtures, openings and uses herein specified.

Twelfth: That upon acceptance by the City of O'Fallon and the completion of the service connection herein contemplated, this application shall be in force as a contract and shall continue as such until cancelled by written notice fifteen days in advance given by the Applicant to the City of O'Fallon.

Thirteenth: That the City of O'Fallon has the right to discontinue or disconnect said service pipe and terminate this application, upon written notice given fifteen days in advance by the City of O'Fallon to the Applicant, for failure to pay any bill when due, or for any violation of any of the terms and conditions of this application, or for any violation of its rules, and in emergencies also has the right without notice to shut off all or any part of its facilities and discontinue the service when deemed necessary by the City of O'Fallon for the purpose of making any repairs, alterations, additions, or to prevent possible contamination through cross-connected facilities of the Applicant or to prevent negligent or willful waste of water through the facilities of the Applicant.

Fourteenth: The acceptance of this application by the City of O'Fallon must be executed by its Public Works Director or Designee before same becomes effective as a contract.
