

Home Child Care

Dear Resident:

Thank you for your inquiry into establishing a Home Child Care in O'Fallon. I'm sure that providing high quality day care is one of your most important concerns, as it is for the City. The City amended the Code of Ordinances in 2005 to help ensure more uniformity of standards for Home Day Care facilities within the City. We realize the State of Illinois DCFS regulates these very closely. The City's regulations focus primarily on the suitability of the site and its relationship with the neighbors rather than on items already regulated by the State.

Enclosed is a packet of information for your consideration if you desire to proceed with a Home Child Care business. Home Child Care requirements are comprised of three parts:

- Home Occupation Requirements
- Home Child Care Requirements
- Business Registration Requirements

Attached to the forms and checklists you will find the appropriate sections of the City code relating to Home Child Care facilities.

Please do not forward the business registration fee or the zoning permit fee at this time. Once Home Child Care compliance is confirmed, you will then be given instructions to pay the annual \$25.00 business registration fee and a one time zoning permit fee of \$35.00.

Please call me or our Senior Planner at (618)624-4500, Ext. 4, if you need any assistance. Thank you.

Sincerely,
CITY OF O'FALLON

Ted K. Shekell
