

Frequently asked questions...

What is American Girl? - The American Girl fashion show provides an entertaining and educational look at how generations of American Girls have used clothing to express their own unique styles and personalities. Over 80 local girls will model historical fashions of daywear, sleepwear, and special occasion clothing; outfits that are similar to what might have been worn by popular multi-cultural American Girl dolls like Josefina, Kirsten, Julie, Addy, Kit, Molly and Rebecca. Other featured fashions include American Girl's line of fun, contemporary, casual wear for older girls and sweet "dress like your doll" outfits from the American Girl Bitty Baby collection. This enchanting show is complete with a light tea party meal and educational walk through history where guests of all ages will experience the true traditions of the American Girl Doll!
